Missing evidence / 缺失材料

1. None against this preparation checklist; insurer may request more.

Conditional clause checks - not an approval

1. Id: verified_policy; Status: pass; Detail: Policy confirmation and version must still match the case.

2. Id: policy_period; Status: pass; Detail: Incident date is within the recorded policy period.

3. Id: waiting_period; Status: unresolved; Detail: No source-verified waiting-period number is available for this benefit. No zero-day period is assumed.

4. Id: selected_benefit; Status: pass; Detail: The primary schedule contains a reviewed selected accidental-outpatient benefit line.

5. Id: territory; Status: pass; Detail: Japan matches the confirmed schedule destination; contract exclusions remain to be checked.

6. Id: reviewed_rule; Status: unresolved; Detail: This policy/benefit is outside the deeply reviewed hackathon path. Export a draft and ask the insurer for its checklist.

7. Id: contract_conditions; Status: unresolved; Detail: Selected benefits, reasonable/necessary expenses, hospital definition, exclusions and insurer assessment still apply.

Originals and translation

Original user files are separate from this generated summary. Keep original expense evidence. AI language support does not establish insurer acceptance or certified translation.
